Join us for a week where God's Word leads the way on an adventure of trust, discovery, and growth. As we explore scripture, we'll see how God's Word is more than a book—it's a guiding compass through life's journey. From stories of trust, blessing, and listening, to lessons of serving and following, campers will learn how God's Word provides direction in all we do.

"The word is near you, on your lips and in your heart."
—Romans 10:8
